**Chapter 1** by Neolillz 

I hate you,  
I love you,  
I hate that,  
I love you.  
I hate that,  
You need her,  
And I will,  
Never be her...

I hate you,  
You know that,  
I love you,  
And I show that,  
I care that,  
You love her,  
And I will

Never be her...

To love me,  
But you love her,  
And you need her,  
And I will,  
Never be her...

And you love her,  
And you hold her,  
I hate her,  
But you know her,  
Better than you,  
Ever,  
Knew me..

So now I sit,  
On my own,  
And all my life,  
I have shown,  
My love,  
And my Kindness,  
To you but it was,  
worthless...

## Chapter 2 by Fanwizard

**\*I know that you,\***

Feeling used  
But I'm  
Still missing you  
And I can't  
See the end of this

Just wanna feel your kiss

Against my lips

And now all this time

Is passing by

But I still can't seem to tell you why

It hurts me every time I see you  
Realize how much I need you

I hate you I love you  
I hate that I love you  
Don't want to, but I can't put  
Nobody else above you  
I hate you I love you  
I hate that I want you  
You want her, you need her  
And I'll never be her

### Chapter 3 by ~Katelyn~

I miss you when I can't sleep  
Or right after coffee  
Or right when I can't eat  
I miss you in my front seat  
Still got sand in my sweaters  
From nights we don't remember  
Do you miss me like I miss you?  
Fucked around and got attached to you  
Friends can break your heart too, and  
I'm always tired but never of you  
If I pulled a you on you, you wouldn't like that shit  
I put this real out, but you wouldn't bite that shit  
I type a text but then I nevermind that shit  
I got these feelings but you never mind that shit  
Oh oh, keep it on the low  
You're still in love with me but your friends don't know  
If I wanted me you would just say so

And if I were you, I would never let me go

I don't mean no harm

I just miss you on my arm

Wedding bells were just all over

Caution tape around my heart

You ever wonder what we could have been?  
You said you wouldn't and you fucking did  
Lie to me, lie with me, get your fucking fix  
Now all my drinks and all my feelings are all fucking mixed  
Always missing people that I shouldn't be missing  
Sometimes you gotta burn some bridges just to create some distance  
I know that I control my thoughts and I should stop reminiscing  
But I learned from my dad that it's good to have feelings  
When love and trust are gone  
I guess this is moving on  
Everyone I do right does me wrong  
So every lonely night, I sing this song
